ومن المعلوم بانه ان احياء التراث العلمى من المفروضات على المسلمين كفاية فى كل زمن. وقد حض النبى صلى الله عليه وسلم فى مواضع لا تحصى فى طلب العلم. روى الخطيب فى جامع بيان العلم وفضله فى ترحيب العلماء:

اهلا وسهلا بالنين احبهم...واودهم فى الله ذى الآلاء
اهلا بقوم صالحين ذوى تقى...غزّ الوجوه وزين كل ملاء
يسعون فى طلب الحديث بغفة... وتوقر وسكينة وحاء
لمهم المهابة والجلالة والنهى... وفضائل جلّت عن الإحصاء
ومداد ما تجرى به أقلامهم... أركى وأفضل من دم الشهداء
يا طالبى علم النبى محمد... ما أتمو وسواكو بسواء

لا يستطاع العلم براحة الجسم
الإمام يحيى ابن أبى كبير كما فى صحيح مسلم

فيا حىي المسلم: إنه يحق على كل مسلم ان يساعد هذه المراكز العلمية بحسب الطاقة بساعد الجد حتى يبلغ الكمال. كم من طالب لا يجد من يطلب عنده العلم فيؤدى الى تعطيل صلاح الشباب ووضعه فى غير موضعه او يطلبه عند غير اهله او يطلبه بدون استاذ رشيد يرشده فى مواطن الزلل. فقم ان تقام منارس تدرّس فيها العلوم الشرعية الفقه والحديث على نهج علماء اهل السنه والاصول التى مدها السلف الصالح.

اهل الحديث همو

اهل النبى وان

It is certainly an obligation upon the believers in every era and every town to establish such institutions wherein our children will grow to learn Islamic heritage. Similarly, it is also an obligation to establish institutions of higher learning where Muslim jurists and scholars will be produced. Where Muslim jurists and scholars will discuss and pass the Islamic laws pertaining to our contemporary issues. A home of Muslim jurists wherein Muslims will be able to come for counseling and solving mutual disputes amongst partners in business shares and marital affairs in accordance to the divine law of Allah the Almighty. A home where people are searching for peace of mind and yearning to find the traditional method of learning the old texts of the Islamic literature. RIF (Rihlatul ILM Foundation) is established in Lansdale Pennsylvania in order to serve the needs of the Muslims in these aspects.

ACTIVITIES & PROGRAMS

A scholarly course for boys and girls which is essentially serving the main goal and objective of this institution. It consists of seven years intense study of the Quran and Hadith and all its requisites i.e.

syntax, morphology, Arabic literature, principles and laws of jurisprudence, Islamic traditions and Quranic interpretations etc.

The course of taking the Quran in memory with perfect Tajweed in the mode of Imam Aasim ibn Abin Nujood according to the narration of his successor Hafs Ibn Sulaiman Alkufi, for youngsters of the age of 8 and above. An average child will take 3 years to complete this course.

A study of the Arabic language and thereafter a brief study of the Quran and Hadith in a course of 2 years. This is for those keen individuals who wants to learn Arabic, Tafseer and a little of Hadith, yet they cannot afford a full time study due to commitments of the corporate world. This course will equip a person to fluently read, write and speak Arabic.

Maktab for after school students which will equip them with essentials of Dean.

And many other activities... ..

The best amongst you is he who learns and teaches the Quran. Al-Bukhari

Current Project

We have been running until now in an attic for our male students which includes Hifz, Alim course and office work. Our female students currently are operating in a separate apartment. It is becoming impossible for us to take any more students due to the lack of space. Hence, we have decided to purchase a plot with a building on it which will cost **250,000 USD**. WE HAVE COLLECTED ABOUT \$150,000 THUS FAR. **WE NEED ANOTHER \$100,000 BY MARCH 31, 2015**. We appeal to our brothers to help us in this noble cause in order to establish an Islamic school wherein our kids will memorize the Quran and study it in depth including all other subjects which will enable a student to become a scholar of Sharia.

HELP THE DEAN OF ALLAH AND ALLAH WILL HELP YOU. - (AL-QURAN)
